

# Create an account

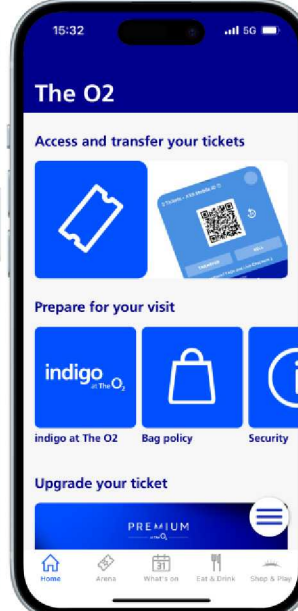

1. The user is first asked where they purchased their tickets. In this case and if the user has been sent tickets they will select '**The O2 or AXS.com**'.

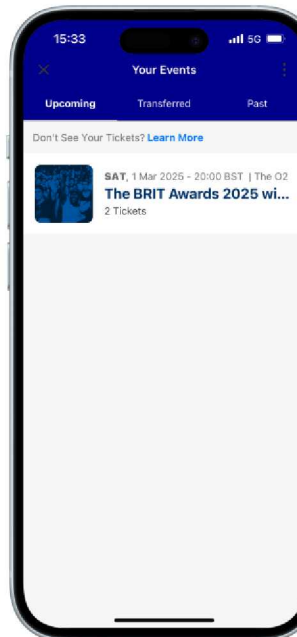

2. The user will then be taken to a Sign In page where they will need to click '**Create AXS Account**' and fill in their details.

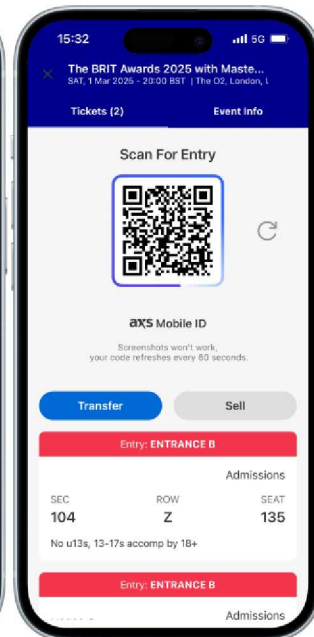

3. The user is then asked if they would like to opt in to marketing from The O2.

3. Once they have selected their marketing preferences they are brought to the home screen where they will need to select '**Access and Transfer your tickets**'.

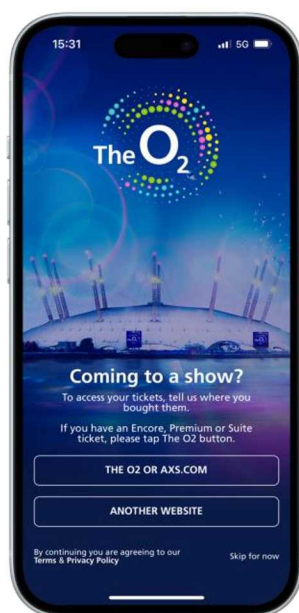

4. The user will then be taken to a page called '**Your Events**'. Tap on the event and they will be taken to their ticket.

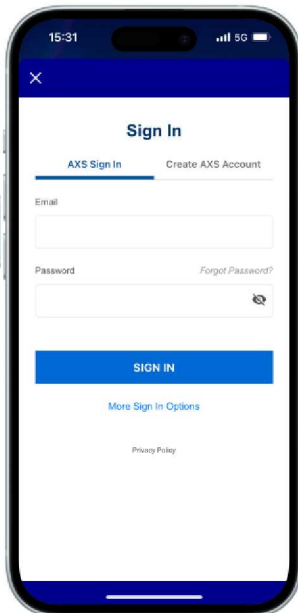

5. Tickets appear as above and the QR code will be scanned to enter the arena.

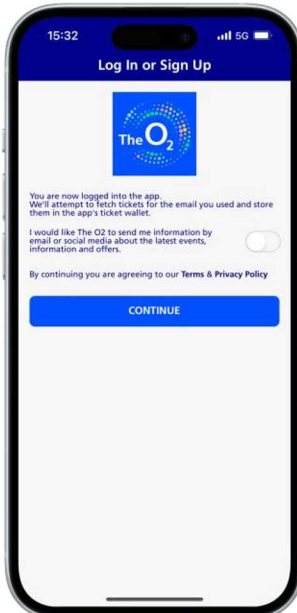

# Login to an existing AXS Account

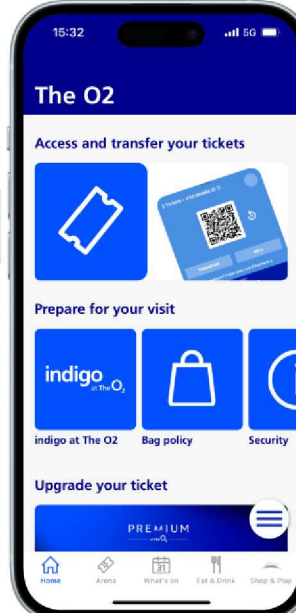

1. The user is first asked where they purchased their tickets. In this case and if the user has been sent tickets they will select '**The O2 or AXS.com**'.

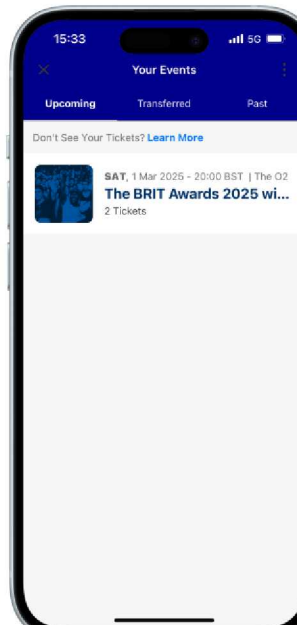

2. The user will then be taken to a Sign In page where they will need to sign in with their existing AXS account details.

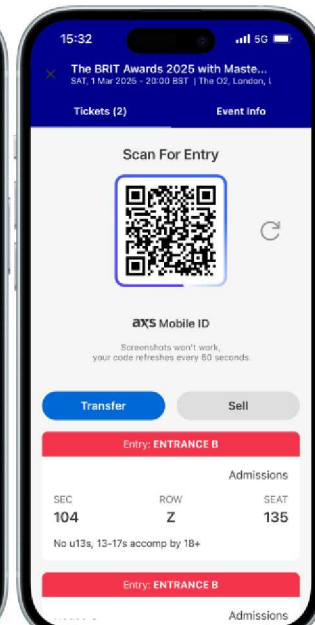

3. The user is then asked if they would like to opt in to marketing from The O2.

3. Once they have selected their marketing preferences they are brought to the home screen where they will need to select '**Access and Transfer your tickets**'.

4. The user will then be taken to a page called '**Your Events**'. Tap on the event and they will be taken to their ticket.

5. Tickets appear as above and the QR code will be scanned to enter the arena.
